COVID-SAFE

SLS Wide Bay Capricorn have put together some plans around how we can safely hold the event.

Please do the right thing for everyone’s sake, so we can all continue to enjoy our present living and playing conditions.

Your Club shall be advised of any impacting COVID statements/updates as they are received.

Selected officials/staff will be acting as ‘biosecurity officers’ throughout the event and ensuring members are following these guidelines.

Carnival Numbers

The current restrictions don't specify an actual number, however this continues to change. We are also subject to restrictions at our host venues. These numbers include competitors, officials, staff, club support personnel and spectators. We will advise if we have to limit extra personnel through the Final Circular.

Attendance Logs

SLS Wide Bay Capricorn will have Check-In QLD QR Codes placed throughout the competition area and back of beach where all attendees will be required to check-in. All must complete this upon arrival to the Event.

Hand Sanitiser

Hand Sanitiser will be available at all access points to the carnival area & club tent area. Competitors, officials, staff and support personnel will be expected to use this hand Sanitiser.

Recommendations

SLS Wide Bay Capricorn recommend that anyone attending an event have the COVID-Safe app

SLS Wide Bay Capricorn are taking the above guidelines extremely seriously and all members/clubs will be required to follow instructions for the event.

SLS Wide Bay Capricorn needs to set an example on how to run these events successfully and safely and we need the compliance of clubs to make this possible.

GENERAL

- No Security will be provided for this event and
- All property left at the carnival will be the responsibility of the competitor and/or their Club.
